

# Happy Family

OCTOBER 2024

Max & Mamie

Hi Grandma! This month, we're on a roll! We're off for a day at the lake with the girls. They came back happy and exhausted (and so did we 😂)

We took cousin Lily with us, and Goldy was obviously there too!  
We made lots of videos, we'll show you!

Hi Grandma!

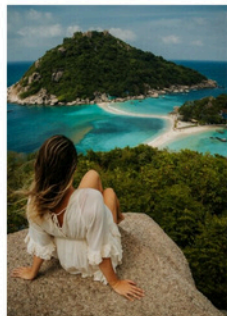

My trip is going so well! As you know, I'm heading for **Vietnam**, first through the south and then up north. I'm close to the Chinese border now, but it shouldn't be long before I reach **Laos** (in 2-3 weeks)... depending on what I find on the road here.

I'll leave you with my favourite photos of the month, which I hope will make you dream! *I miss you, Cam Cam* ❤️

*Top 4 of my favourite sunsets in Thailand...  
for your eyes only!*

It's been a rather quiet month here (and less exotic than Camcam's sunsets, but just as nice): I took the opportunity to go for a few walks around the area with the kids! Here's a sneak preview. Math.

Paul and Louis had a great time  
and are still talking about your cookies! ❤️🍪

Hi Grandma! Let's start with some news from Lea (who has a real passion for watermelon at the moment, but only cut into triangles, otherwise it's not as good, obviously...)

One month since she started primary school. The family organisation has changed a lot, so we're enjoying the weekends to spend time with the family. It's a bit of a race during the week with this new rhythm!

*We're sharing a few photos of our afternoon at the playground !*

Things are going well for Lulu too! She started dance classes at the beginning of September and she loves it. There is a dance show every evening...

**Expect a 'show' on our next visit!**

Lots of kisses,  
Cath, Max, Lea and Lucie

Hi Grandma, we've just got back from a weekend on the coast at Charles's cousin. The region is beautiful, you'd love it!
